

Privacy Policy

The App respects and protects the privacy of all users who use the service. In order to provide you with more accurate and personalized services, the App will use and disclose your personal information in accordance with this Privacy Policy. However, the App will treat your information with a high degree of diligence and prudence. Except as otherwise provided in this Privacy Policy, this App will not disclose or provide your information to third parties without your prior consent. The App will update this Privacy Policy from time to time. By agreeing to the Application Service Agreement, you are deemed to have agreed to the entire content of this Privacy Policy. This Privacy Policy is an integral part of the Application Service Agreement.

1. Scope of Application

(a) The personal information you provide in accordance with the App requirements when you register for the App account;

(b) The information on your browser and computer that is automatically received and recorded by the App when you use the App Network Service or access the App web, including but not limited to your IP address, browser type, language, date and time of access, hardware and software feature information, web page records;

(c) When you use this App and the accompanying web camera hardware, the App may require you to authorize access to the following information on your phone hardware. If

you choose to reject it, you will not be able to use the corresponding features:

1) Mobile phone identification code: used to provide accurate alarm notification messages for the App.

2) Microphone: used for two-way conversation between the App and the web camera.

3) Camera: used to scan the QR code to get the ID of the web camera.

4) Read and write storage: used to save or delete snapshot pictures and video files.

5) Location information: used to obtain the current WiFi name of the mobile phone and configure it to the web camera.

(d) User personal data obtained by the App from a business partner through legal means.

You understand and agree that the following information does not apply to this Privacy Policy:

(a) The keyword information you entered when using the search service provided by the App;

(b) The information released by you in this App, including but not limited to activity involvement, transaction information and evaluation details;

(c) Violations of the law or the Code of Conduct and the actions taken against you by the App.

2. Use of Information

(a) The App will not provide, sell, rent, share or trade your personal information to any unrelated third party unless your prior approval have been obtained, or the third party and

the App (including its affiliates) bear joint and several liabilities for providing service to you, and upon the expiry of the service period, it will be banned from accessing all such information it has previously been able to access.

(b) The App will not allow any third party to collect, edit, sell or distribute your personal information by any means. If any user of this App is found to be engaged in any of the above activities, the App has the right to immediately terminate the service agreement with the user.

(c) For the purpose of serving the user, the App may use your information to provide you with information of interest to you, including but not limited to, sending you product and service information, or sharing information with the App partner so that they may send you information about its products and services (the latter requires your prior consent).

3. Information Disclosure

In the following circumstances, the App will disclose your personal information in whole or in part according to your personal wishes or the law:

(a) Disclosure to third parties with your prior consent;

(b) Sharing your personal information with third parties so as to provide the products and services that you request;

(c) Disclosure to third parties or administrative or judicial authorities in accordance with the relevant provisions of the law, or at the request of the administrative or judicial authorities;

(d) Disclosure to third parties in case you have violated relevant Chinese laws, regulations, the application service agreement or related rules;

(e) If you are a competent IPR complainant and have filed a complaint, you are required to disclose such information to the respondent at its request so that both parties can handle possible rights disputes;

(f) In a transaction created on the application platform, if any party to the transaction fully or partially fulfills its transaction obligations and requests for information disclosure, the App has the right to provide the user with the contact information of the counterparty and other necessary information to facilitate the completion of a transaction or the resolution of a dispute.

(g) Other disclosures that the App considers appropriate in accordance with laws, regulations or website policies.

4. Information Storage and Exchange

The information and materials collected by the App will be stored on the servers of the App and / or its affiliates, which may be transmitted outside your country, region or the country, region where the App collects information and materials, and may be accessed, stored and displayed outside such countries or regions.

5. Use of Cookies

(a) In the event that you do not reject cookies, the App will set or access cookies on your computer so that you may log in or use cookies-based services or features. By using cookies, the App will provide you with more thoughtful and personalized services, including promotional services.

(b) You have the right to accept or reject cookies. You may reject cookies by modifying your browser settings. However, if you choose to reject cookies, you may not be able to log in or use cookies-based services or features.

(c) This Policy will apply to the information obtained through the cookies set in the App.

6. Information Security

(a) Security protection is applied for your app account. Please keep your username and password information safe. The App will ensure that your information is not lost, abused or altered by security measures such as encrypting your password. Despite the aforementioned security measures, please note that there are no “perfect security measures” on the information network.

(b) When using this application web service for online transactions, you will inevitably disclose your personal information, such as contact information or postal address, to the counterparty or potential counterparty. Please protect your personal information and provide it to others only when necessary. If you find that your personal information is leaked, especially if your username and password are leaked, please contact the customer service center immediately so that the App can take corresponding measures.

7. Changes to this Privacy Policy

(a) We will post changes in this Policy, on our website, and in such locations as we deem appropriate, so that you can understand how we collect and use your personal information, who can access it, and under what circumstances will we disclose your personal information.

(b) The Company reserves the right to modify this policy at any time, please check it frequently. In the event of a material change to this Policy, the Company will notify you by notice on the website.

(c) This Privacy Policy will take effect immediately after its public release. If you have any questions about this Policy, please contact us at support@dayunlinks.cn.
